Dear Sir:

**RESPONSE TO OFFICE ACTION MAILED OCTOBER 11, 2005**

This is responsive to the non-final Office Action dated October 11, 2005, for which a shortened statutory period for reply expired on January 11, 2006. Applicants hereby petition for an Extension of Time with the appropriate fee for extending the time for reply to April 11, 2006. Accordingly, the present Response is believed to have been timely filed. Favorable consideration is respectfully requested in view of the following remarks.

Claims 2-20 are currently pending in the present Patent Application. The Examiner has rejected claims 2-20 under the judicially created doctrine of obviousness-type double patenting.

PATENT  
Docket No.: ST02017C1(141-US-C1)  
10/815,410

Applicants had submitted a terminal disclaimer to overcome the rejection under the judicially created doctrine of obviousness-type double patenting in their Reply to Office Action Mailed 04/19/2005. This terminal disclaimer was rejected because "the person who signed the terminal disclaimer is not recognized as an officer of the assignee, and he/she has not been established as being authorized to act on behalf of the assignee." The Examiner has also requested copies of certain non-patent publications submitted with a Form PTO-1449 filed with the Reply.

In response, Applicants are submitting an Establishment of Right of Assignee to Take Action and Revocation and Power of Attorney, together with a properly-executed terminal disclaimer and the requested non-patent publications. Please reconsider the above-identified Patent Application in view of the Remarks contained below.
